Cleanroom News : Editorial Department

Your publication on the internet (free of charge): www.reinraum.de

Your publication in the newsletter (free of charge)

Publication of articles

Publications treating current topics are published daily on www.reinraum.de veröffentlicht.

All news published on www.cleanroom-online.de / www.reinraum.de during the last month are summarised in the monthly cleanroom online NEWSLETTER which is published in German and English and mailed to approx. 4.000 registered subscribers all over the world.

In a quickly developing sector current informations are especially important. For this reason all services published below are **free of charge** for all our publishers:

- Publication of your articles*
- Publication of pictures
- Upload of a pdf file
- Publication of articles in the newsletter and in the print-line according to the editors' approval
- Publication of your events in our event calendar

Additional services in case of a partnership by subscribing to WER WO WAS (see page 7) :

- Deep link to a subpage of your website
- Your full business address as well as your logo is shown
- Link to your website
- Link to your e-mail address

Target Group	Managers, developers, designers, purchasing agents, scientific and academic personnel, employees in the cleanroom sector
Contacts Internet**	approx. 2.800 visitors/month
Contacts Newsletter**	approx. 4.000 subscribers/month
Contacts Printline**	approx. 6.000 readers/1x year
Publication frequency	Internet : 24 h Newsletter : monthly printline : 1x/year
Period / Runtime	All articles are stored in a folder and can be found on the internet via search engines
Prices	0,00 Euro for editorial articles* 0,00 Euro for the publication of events

* Basic rules for articles which are to be published: articles have to be written in a neutral way which means e.g. no self-praise or the avoidance of superlatives. The name of the company or of specific products can be used but they shall not be mentioned all too often.

** As of October 2015

Cleanroom Events : Events Calendar

Events can be published **for free** on www.reinraum.de.

Our subscribers are informed about the upcoming events via our monthly newsletter.

Possible events:

- Exhibitions
- Congresses
- Training Courses/Seminars
- Workshops
- Open Day
- ...
